Sika® Cleaning Wipes-100

HIGH QUALITY CLEANING WIPES FOR HEAVILY SOILED HANDS

DESCRIPTION

Sika® Cleaning Wipes-100 is a unique waterless hand-cleaning system consisting of a high quality hand cleaner formula and a heavy-duty, abrasive cleaning towel.

USES

Sika® Cleaning Wipes-100 is designed to clean heavily soiled hands. Sika® Cleaning Wipes-100 easily removes sealant and adhesive as well as other contaminations like grease, lubricants, oil, tar, ink, wax and many other.

CHARACTERISTICS / ADVANTAGES

- Ready to use
- Excellent cleaning performance
- Easy to tear-off, perforated wipes
- Two different sides: rough / smooth

APPLICATION METHOD / TOOLS

Open the tube and pull Sika® Cleaning Wipes-100 wipes through the pre-cut opening. Use Sika® Cleaning Wipes-100 by scrubbing your hands with the abrasive side and wipe-off with the fine smooth side. Immediately after use, reseal container tightly.

LIMITATIONS

Sika® Cleaning Wipes-100 may not be used as a pre-treatment for sealants or adhesives.

Notes and Application:

- Avoid contact with eyes and mucous membranes.

- Do not use on sensitive, broken or cracked skin.
- Do not swallow.
- Keep out of the reach of children.

BASIS OF PRODUCT DATA

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Please consult the local Product Data Sheet for the exact product data and uses.

ECOLOGY, HEALTH AND SAFETY

This Product is a cosmetic product as defined in article 2 of Regulation (EC) No 1223/2009.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
